### VERSE:

**D**          **D/C#**  
Though I'm with You, surrender isn't easy  
          **Bm**                  **G**  
But I choose to live a life that's more than words  
                  **D**  **D/C#**  
When I see You I feel so unworthy  
          **Bm**  **Asus**  **A**  
And I'm humbled that You could see my worth  
**G/B**                                  **D/F#**  
Choosing the sufficiency of Your grace  
          **C2**  **A2**  
Lord, I don't deserve Your mercy, but I need to see Your face  
          **G/B**          **D/F#**  **C2**  
So, hold me and I'll be safe when I'm with You  
          **Asus**                  **A**  
I'll be safe when I'm with You

### CHORUS:

**Bm7**                  **G**  
Amazing grace, amazing love  
          **D/F#**                                  **Asus**  **A**  
Amazing God who poured His mercy on us  
          **Bm7**                  **G**  
Amazing friend, amazing king  
          **Em7**                                  **D/F#**  
You have poured out a love that resuces me  
          **G**                  **G/C**                  **D**  
(I lift my head) and I am covered by amazing grace
