

Like The Angels

Troy Hodge

VERSE 1:

G#m F# B E
I've been a shadow all my days
You were the light that washed me away
In the shelter of amazing grace
I'll sing of the love in Your beautiful face

CHORUS:

(E) G#m F#
Like the angels we'll sing Your praise
E
Glory, hallelujah, amen
You bought our sin and fought our shame
Glory, hallelujah, amen
Come over us like rain
Glory, hallelujah, amen
You are the blessed One, the holy I am

I stumbled low but You knew my name
